December 2014 \$4.40 Flyer – Terms & Conditions

The current \$660.00 installation on offer refers to domestic premises of good construction, having roof and wall cavities allowing access for the installation of cables, and there is no asbestosis on site preventing works. The alarm will be connected by phone line supplied by the client for the purpose of back to base monitoring, for a period of 24 months from the commissioned install. The phone line will be a working PSTN phone line able to make calls to a 1345 number for the purpose of back to base monitoring, conducted by WPS&L for a period of 24 months. If no phone line is available we can supply a 3G communication device at extra charge please let us know if this is required.

Supply and Install

- 1x Hills R8 main control panel, digital dialler
- 1x 8 Zone LED arming station
- 1x External siren and blue strobe light kit
- 1x Internal siren
- 1x Tamper switch on the alarm box and external siren box
- 1x 12v7AH Backup battery
- 1x 16vAC power transformer
- 3x RX40 PIR Detectors
- 1x Labour to fit, program and test entire systems

General Exclusions these may or may not apply to this installation.

- Client to provide a normal PSTN phone line for the system to connect back to base.
- Client to supply 240vAC power point for the alarm system to operate and this should always have power even if the unit is not being utilised.
- Client to supply any other materials/ services required to complete installation of above systems that are not normally required for this type of installation.
- Client to provide solution for any issue preventing WPSN from completing the above works.
- Client to replace batteries as required as these are classed as consumables and not covered by warranty.

System is covered by 24 month manufacturer's warranty and 24 month WPS&L workmanship warranty.

*Advertised reduced pricing is dependent on a 24 month security alarm monitoring agreement with Western Plains Security & Locksmiths (Birkgate Pty Ltd) in which the first 12 months will be invoiced at \$4.40 per week, and then at the increased rate of \$5.50 per week. All alarm monitoring is charged quarterly in advance.

*Advertised alarm monitoring rate is dependent on client supplying a working PSTN phone line.

*Advertised alarm monitoring rate is available for residential customers only.

*Advertised prices are GST Inclusive.

*Advertised agreement is subject to WPS&L's conditions of supply, which can be found at www.wpsn.com.au
